

Twisted Pinwheels

- Quilt size will be 55 x 77
- Blocks are set 5 x 7
- Block size will be 11 inches finished (11.5 inches with seam allowances)
- Pinwheel blocks will be 8.5 inches with seam allowances and made from 4 inch finished HSTs (4.5 inches with seam allowances)
- You will need two rectangles cut from the same fabric to twist each block that measures 3.5 x 14 inches
- I'll use the [instructions posted on my Website for my Twisted 9 patch](#) to twist the blocks.
- After twisting the blocks, you'll square them to 11.5 inches.
