

I-Spy Double 4 Patch

- Quilt size is approximately 46 x 62
- Blocks are 8 inches finished (8.5 inches with seam allowances)
- Blocks are set 5 x 7
- Strips for the 4 patch blocks are cut 2.5 inches
- Novelty Squares are cut 4.5 inches
- My border was cut 3.5 inches because I only had a small piece of the black print.
- This might be less busy using a tone on tone black print in the 4 patch blocks instead of the white print like I used.
